I understand that the Clinical Case and MRI Review that I will receive from Dr. Millett is preliminary and limited because it does not have information typically obtained through a physical examination. This Clinical Case and MRI Review is not intended to replace a full medical evaluation or an in-person visit with a physician. I agree to solely assume the risks of the limitations associated with this review and understand that no warranty or guarantee is made to me concerning a specific result or cure of my condition or injury.
